## JOB OF THE WEEK

This week's video focuses on the job role of a Interpreter.

As an interpreter, you'll need to listen to, understand and memorise content in the original source language and then reproduce it in the target language. Watch the video to learn more about how much you could earn, the qualifications you need & what subjects link to this career.

## LABOUR MARKET INFORMATION FACT

Workers with an undergraduate degree earn, on average, 113% more than those with no qualifications and 60% more than those who stopped formal education after A Levels.

## OPPORTUNITIES

We all know how stressful exam time can be. When we let our stress levels get too intense for long periods of time, it can have negative effects on our physical and mental well-being. But stress itself isn't all bad. If we understand the science of what's happening in our bodies when we feel stressed, we can learn to keep those feelings balanced and make them work for us. [Watch this video for scientific tips on how to tame your stress.](#)
