Happy National Apprenticeship Week! Search #NAW2024 to find relevant social media posts from current apprentices, employers and education companies.

If you'd like to learn more about Apprenticeships, you can check out the following resources:

How much do you know about apprenticeships? Test your knowledge with this fun quiz and learn a little more about what roles are available, when to apply, when companies advertise and what they might be looking for.

“Me and My Apprenticeship” resource which allows you to discover real life apprentices as they tell you their story including; what apprenticeship they are currently doing and why they love it. You can use this as a guide to find your perfect apprenticeship and also share with others who might find it useful.

“Meet Your Employer” resource which allows to you discover lots of different apprenticeship providers in this useful guide and hear from an apprentice at each company about why they love working there. Download it now and feel free to share with others who might find it useful.

The Higher and Degree Apprenticeship Listing showcases hundreds of vacancies from a diverse mix of employers starting in 2024. The variety of vacancies listed range from Engineer to Police Constable – there's something for everyone.

If you have decided that an apprenticeship is for you and would like to speak to your parents, Amazing Apprenticeship's Parents and Carers information pack will help.

OPPORTUNITIES

Have you ever wondered what the subjects you study at school or sixth form have to do with work and your career? Or maybe you really enjoy a subject at school or sixth form but wondered if there will be any future use for it in the workplace? [SkillsMap® is here to help you.](#) SkillsMap® shows you a selection of the transferable skills developed in each of 36 different academic subjects typically taught in pre-18 education. These are the skills that employers are looking for. You can also find the skills that different subjects have in common. Try searching your favourite subjects and see what skills you are developing.

[Chanel You, Me & Us: Designing Futures](#) is a free 20 week-long mentorship programme for young creative enthusiasts who are keen to learn more about the world of Chanel and opportunities to engage with the wider industry. This programme is open to young creatives aged 18-25. If you're not old enough yet, this is definitely a programme to remember for the future!

Are you wondering what apprenticeships your favourite subjects might lead to? Head to the [Amazing Apprenticeships Resource page](#) then in the search box type "apprenticeships linked to". This will provide you with a series of poster that tell you what subjects can lead to what apprenticeships.

Our online careers platform Morrisby offers a fantastic research tool, with the opportunity to explore thousands of job roles. Year 9-13s who have access to this platform can log in to explore their options. Current activities have also been added to your account to support with the development of careers throughout the school.
