## School Bus Service Information 2021-22

### Introduction

The school offers three bus routes, operating towards the North Preston, South Preston and Hambleton areas.

All of our routes are monitored regularly to ensure their effectiveness.

We are happy for parents to contact the school with any constructive ideas they may have in respect of the transport offered. Any comments should be directed to Abby Newby in the Bursary at [abby.newby@akslytham.com](mailto:abby.newby@akslytham.com) in the first instance.

From the autumn term, we will be using the Transport App by KURA. However, in the first instance, we will upload parents contract requests into the portal. Parents will be able to manage all future bookings and track the bus route in real time. A link will follow in August giving details of the app and its use.

### Operators

The South Preston and Hambleton routes to and from AKS are operated under contract by Coastal Coaches, who can be contacted at:

Coastal Coaches, Unit 2, Townsend Garage, Lytham Road, Warton, Near Preston, PR4 1AH.

Tel: 01772 635820

The North Preston route is serviced by one of our own minibuses, driven by Mr Leigh.

### Terms & Conditions

Please find attached the terms and conditions for students travelling on the school's buses. Before any pass can be issued this document must be signed and returned to the school.

### Pricing

Prices per single journey are shown in the timetables that follow: note that the prices are 'one way', and include both contractual prices and those for one-off, ad-hoc trips.

### Applications

Please complete the form at the end of this document, agreeing to the terms and conditions and identifying the service that is required.

## Application Form for School Bus Transport

### Terms and Conditions

Please read the terms and conditions below and, once completed, return the form to the School Reception as soon as possible, completing *one form per child*.

The service provided by an external contractor on behalf of AKS is intended to be safe, reliable, friendly and efficient. In the interests of all who use the bus service we ask you to read and sign the following to ensure these standards are maintained.

Good standards of behaviour and manners are expected at all times. Students **must**:

- Wear seatbelts at all times.
- Co-operate with, and obey, the driver and/or member of staff at all times.
- Keep the bus clean - no eating and drinking on buses, coaches or minibuses.
- Ensure that any belongings are kept out of the aisle; large items may only be transported with the driver's permission.
- Arrive at the bus stop 5 minutes before the bus is due.
- Behave in an orderly manner whilst waiting for the bus.
- Get on and off the bus in an orderly manner.
- Take only their regularly assigned bus at all times.
- Carry the bus pass issued at the start of the academic year and show the pass as required to the driver or other school official on request.

Additional guidance:

- School rules apply whilst travelling on school buses or buses hired by the school.
- Single-seat belts must not be worn by more than one person.
- On no account should three children be seated on a double seat
- Students responsible for damage to vehicles should expect to be charged for repairs.

Any reports from the bus drivers of unsuitable behaviour will be taken seriously and may result in the withdrawal of a student's pass.

Note that:

- The driver has no authority whatsoever to divert from his route and must not be asked to do so
- Priority is given to those students with termly contracts over occasional users
- The driver only has authority to take as his passengers those students in possession of their own current bus pass
- Half a term's notice must be given to cancel the contract, therefore notice must be given on the first day of each half term, for the following half term
