

### *What are the options?*

If, having thought carefully about your official results, you are considering submitting a request for a copy of your examination script to be returned or you wish your marks to be formally reviewed, we have placed on our website (*Senior School>Academic Achievements>Examinations*) a copy of the document, [JCQ Post-Results Services](#). This is the master information document for all examination boards, but please note this document contains deadlines that are Exam Board deadlines, our internal deadlines are earlier.

There are specific deadlines for any priority requests; in other words if a university place or similar is dependent upon the outcome of a possible change in grade. Our deadline for priority services is noon Monday 21<sup>st</sup> August. Our deadline for non-priority requests is 4.00pm Wednesday 13<sup>th</sup> September. The application form to request a non-priority post results service will be available on our website at the beginning of September.

### *What do some of the letters mean?*

Important acronyms are:

- 1) **RoRs**: Review of Results service (*please note that the examination boards now refer to reviewing scripts and scores; any change in your allocated mark will only happen if the reviewer of your script believes that the original mark was unreasonable or outside of an area of tolerance*)
- 2) **ATS**: Access To Scripts

### *Where else can I find help and support?*
