All lunches are to be held at the
Fairhaven Golf Club.

By joining the AKS Ladies' Luncheon Club, you agree to the terms and conditions of the Club. It is assumed that you will be attending all the luncheons unless you tell us otherwise. The AKS Ladies' Luncheon Club is charged by the venue for any lunches not cancelled by this date. As we are a non-profit making organisation you will therefore be charged for the meal if you are unable to attend and do not give the required notice. For this reason, if you are unable to attend without notice, we encourage you to find a lady to attend in your place.

Any requests to bring a guest or menu changes for dietary requirements need to be received by this same date:
